EXPERIENCE

- **Product Designer**
Shopify • Jan 2021 - Present

Currently part of the Admin Quality team working horizontally across teams improving UX quality, building design systems, patterns, and designing out new 0-1 experiences.

Designed and lead the efforts for a new design system for the settings area of our admin product which has lead to a more cohesive UX across the org and reduced dev times in half.

Designed and shipped a new app navigation experience for 2M+ merchants across the platform, increasing their time spent navigating apps from 2-4 seconds to instant.
- **Experience Designer**
Konrad Group • May 2019 - Dec 2020

Primarily worked with clients to design out new internal toolings, marketing website refresh, and mobile applications.

Designed and pitched solutions to high profile clients outlining design directions and their impacts on their business KPIs & success metrics.

Worked with business consultants and developers to create technically feasible design solutions for over 10+ clients within the given project timeline.
- **Executive Communications Manager**
YSDN Graduate Show • Sep 2018 - April 2019

Managed 12 executive teams with the overall organization and execution of the graduate show event viewed by 100+ industry professionals.

Providing project management skills and strategies to all 12 teams in order to help them meet tight deadlines and boost team cultures.

Responsible for communication lines between teams, making sure that all work back schedules are in sync.
- **Experience Designer**
League of Innovators • Jun 2018 - Dec 2018

Designed out the entire business accelerator learning platform from scratch within a 3 month time frame which has now been used by 80+ Canadian start-ups.
